DESCRIPTION OF LEVELS

Examples of work and descriptions are meant to progress through the levels. For example, an employee at level III may also perform work listed within the previous levels.

Note: *Factors that may distinguish between journey and senior levels include the degree of independence in performing the work, the scope of responsibility, the complexity of the work*

performed, and the employee's related experience, education, and certifications. Other factors may include the type, nature, scope, or sensitivity of the assigned caseload.

GUARDIANSHIP SPECIALIST I: Performs routine (journey-level) guardianship services work. Works under moderate supervision, with limited latitude for the use of initiative and independent judgment. Employees at this level may rely on direction from others to solve problems that are not standard and may assist others in performing work of greater complexity.

GUARDIANSHIP SPECIALIST II (Added 9-1-2023): Performs complex (journey-level) guardianship services work. Works under general supervision, with moderate latitude for the use of initiative and independent judgment. Employees at this level may work more independently than those at the previous level, may routinely assist other staff in performing work of greater complexity, and may:

- Monitor the ward's treatment plan.
- Testify in court hearings related to guardianship.

GUARDIANSHIP SPECIALIST III (Added 9-1-2023): Performs highly complex (senior-level) guardianship services work. Works under limited supervision, with moderate latitude for the use of initiative and independent judgment. Employees at this level may coordinate work activities related to guardianship projects and may serve as a lead worker providing guidance to less experienced staff. Employees at this level frequently use their specialized expertise to advise management on a variety of issues necessary to ensure a consistent, statewide implementation of rules, regulations, and policies. Employees at this level may also oversee or work on some of the most complex, challenging cases and may:

- Serve as a liaison between the agency and community groups to promote the needs of assigned wards.
- Interpret related laws and procedures to the community and other service organizations.
- Focus on researching community resources, such as mental health treatment facilities, specialized small group homes throughout the state for difficult-to-place clients, rehabilitation and educational programs that benefit disabled individuals, nursing facilities, and low-income housing.

GENERAL QUALIFICATION GUIDELINES

EXPERIENCE AND EDUCATION

Experience in guardianship services and/or case management. Graduation from an accredited college or university is generally preferred. Experience and education may be substituted for one another.

KNOWLEDGE, SKILLS, AND ABILITIES

For all levels

- Knowledge of federal and state laws, rules, and regulations related to guardianship; agency policies and procedures; and community resources.
- Skill in the use of a computer and applicable software, and in establishing and maintaining professional working relationships.

- Ability to prepare reports, legal documents, and other paperwork; to testify in court; to write concisely; and to communicate effectively.

REGISTRATION, CERTIFICATION, OR LICENSURE

May require certification as Certified Guardian by the Texas Judicial Branch Certification Commission.
